

EASTERN MASSACHUSETTS SCOUTING UNIVERSITY

Saturday, November 7, 2009

Greater Lawrence Technical School

57 River Road, Andover, Mass.

The Boy Scout councils of Eastern Massachusetts will be sponsoring another University of Scouting on Saturday, November 7, 2009, at Greater Lawrence Technical School, at 57 River Road in Andover, just off of Exit 45 from Interstate 93. This year the Scouters from Boston Minuteman Council, Cape and Islands Council, Old Colony Council, and Yankee Clipper Council are all working together to make the University of Scouting bigger and better than before. It will be an exciting day of Scouting camaraderie and learning. We are planning another midway to expand your horizons of opportunity for all of the Scouting programs. We want to make the Eastern Massachusetts Scouting University an important part of your Scouting program by bringing you new resources and new ideas. This is a fabulous opportunity to make your Scouting program better for your Scouts and easier for you.

We are planning to put on over 150 presentations so there will be something for everyone. Some of these courses are programs which are hard to find anywhere else. Although, we have broken the courses down into separate colleges as a guide for you, please take any course that you want. Remember that for Cub Scout leaders, attending either a University of Scouting or Pow-Wow is required for your adult leader recognition. We are also going to run programs for Junior Leaders.

Preregistration is available online through Doubleknot on the Yankee Clipper Council website: <http://www.doubleknot.com/Registration/CalendarDetail.asp?ActivityKey=635430&OrgKey=406> There is also a paper registration form attached if you choose. The cost of the program is \$20 if your registration is received at the council service-center on or before October 17, 2009. Late registration is \$25. We will not be able to process late registrations received after October 30, 2009, but will accept walk-in registrations at the door.

We ask that you please pre-register for the courses that you want. The course numbers contain three parts. The letter indicates which type of course, the first number is the period, and the last two numbers are the classroom. Classroom 00 is the outdoor cooking area or the baseball field. The fourth period courses will be staggered to create two overlapping lunch periods for your convenience; however you may only take one fourth period course. We reserve the right to change, substitute, or cancel classes and exhibitors as necessary.

Please wear your Scout uniform. Parking is at the rear of the school. The doors will open for check-in and coffee at 8 o'clock. Our opening ceremony will start at 8:45, with the first period starting at 9 o'clock.

Your course registration fee includes a cold cut buffet for lunch. Announcements will be made to direct Scouters to Lunch. If you encounter a long line, please take a few minutes to look around the Midway area, we don't want to waste your time. The registration staff will be available to help you with any questions or concerns. The Midway will be open in the cafeteria from Noon until 2:30 PM. We also hope to raffle off door prizes in the Cafeteria at 1 o'clock.

This University of Scouting will be a fabulous event that you don't want to miss.
