

Yankee Clipper Council Boy Scouts of America

CAMPERSHIP APPLICATION

Campership Purpose: The purpose of the Campership Program is to provide financial assistance to deserving youth who would otherwise not be able to meet camp attendance fees. The Yankee Clipper Council, in administering funds, provided by concerned individuals, organizations, and foundations, will act as good stewards by offering sound judgment in providing financial assistance and will act in complete confidence regarding information of each applicant. Recognizing the ninth point of the Scout Law, "A Scout is Thrifty," every youth who receives financial assistance will be asked to earn part of his camp fee. It is also expected that parents/guardians and the unit will share in the financial responsibility.

All sections of this application must be completed and RETURNED by May 1, 2010 for consideration!
