E-mail: _____

I received my Eagle in: _____, as a member of Troop _____ of _____, _____
(year) (city) (state)

Occupation: _____

Each year in February at our Eagle Scout Recognition Banquet, the Yankee Clipper Council recognizes those Scouts who achieved the rank of Eagle Scout during the preceding year. For this banquet, each new Eagle is hosted by a "Sponsor," someone with expertise in the new Eagle's field of interest or chosen career area. The Sponsor is asked to invite the Eagle to spend time at his place of work or otherwise meet with him to offer insights about his career field, host the Eagle at the Eagle Recognition Banquet and, from time to time, contact the Eagle as he pursues his education or career.

May we contact you for service as a future Eagle Sponsor? YES NO

The Yankee Clipper Council Eagle Scout Association has produced a directory of adult Eagles who are willing to help assist or mentor younger Eagles. Inclusion in the "**Eagles Helping Eagles**" mentoring directory is entirely voluntary. Adult Eagles can offer useful career advice and information, help with college or vocational choices, and even provide networking opportunities. The time it takes to lend a helping hand is very small, but can make a world of difference in young man's future.

May we include your information in our next edition of the "**Eagles Helping Eagles**" mentoring directory? YES NO

Additional "Eagle Helping Eagles" Information

Company _____

Title _____
