

Motivate your Scouts with custom incentives

Exclusive outings for Scouts who fill up an order form...

sports stadiums, amusement parks and museums.

Special events if Scouts reach individual goals...

camping equipment, pizza parties, mountain bikes, dunk booths, and a "pie-in-the-face" for every leader.

You know your Scouts, encourage them this year with custom incentives.

When you offer unit level incentives, you'll add excitement to your program. Scouts will know you believe in them when you plan big rewards, and involving everyone in the popcorn sale means bigger profits this fall.

Add custom incentives to the existing Trail's End Prize Programs and Council Incentives, and you'll be on your way to the best year ever! Trail's End Popcorn offers awesome incentives like the Fill-It-Up Program, Prize Program and Scholarship opportunities.

Be sure to check out the brand new Unit Training DVD. It features leaders like you, sharing their experience with unit level incentives.
