

Scouting for Food

Hunger. It's a way of life for many in our community. The economic crisis has left more families, our friends and neighbors, in desperate circumstances. Support organizations, including our local food agencies, struggle to assist but resources continue to shrink. Together we can help. This February the Boy Scouts of America will be collecting food and supporting community agencies that fight hunger.

Join us as we feed our neighbors.

On _____ scouts from _____ will be collecting non-perishable food items. Please leave your donation in a plastic grocery bag near your mailbox by ___am. It will make a difference.

Contact _____ at _____ or _____ for more info.
